What else do you want to know about Barre? Ask away!

Some ways our classes are different from other Barre studios:

- EVERY exercise/move is done to the beat and we use a bit faster tempo music
- Every instructor has a different routine EVERY WEEK.
- We use a variety of props - you're never bored
- We teach a badass class that's MEANT to be a challenge, but we also want everyone to feel totally safe to modify, drop props, & do what they need to in class! Always listen to your body.
- Our space is warm and inviting, we take ourselves seriously in class to watch our form, etc, but not toooo seriously. 😊
- We've been a Barre staple in Chicago for 15 years!
- We offer other unique dance/kickboxing/cardio/strength formats!

New Clients get a 5-Class Challenge Intro Offer w/ big prizes for completing all 5 classes in 30 days.

More info on other class formats, promos and studio haps on our website linked in bio!
