With less than 10 days to Thanksgiving, the Holiday Craze is upon us! It's a time full of gratitude, gift-giving, friends, family and pie!! It is a LOT. At this time of year the many joys can be accompanied by the many stresses

You know what helps with stress? Yoga? (We cant help it 🥰)

Right now is the perfect moment to give yourself the gift of a steadier, more committed practice. A little consistency goes a long way.
