"If this PSA uplifts one person, then it's worth putting myself out there! @theclass helps me train my mind, realign myself, and gives me all the endorphins. Plus, the playlists are 🍌. When I was in my 20s, I went dancing almost every weekend. Yes it was super fun, but what I didn't know at the time, was that I was shaking off and releasing all the toxins from my body. Movement is medicine! Going clubbing is healthy! Hat Blast your fav jam and dance. It's the best feeling!" -- @nadia_outside

"One minute you're dancing like you're in Mykonos, the next minute you're crying, the next minute you're doing burpees." It might be time for a rebrand: The Class, a non-judgmental destination for a combination of Mykonos, tears, and burpees. Thank you @itsavaminer !
